Dear Friends,

World Heritage Cultural Center is celebrating its Third Year Anniversary with the Grand Opening of its first Cultural Center in Westchester New York. World Heritage Cultural Center was created because of the love for all cultures. With an idea of promoting cultural awareness through the Arts & Food, with a *not-for-profit* status, a noble mission was born in 2006 and legalized in 2009.

In 2009 we attempted our first World Of Colors Concert in Westchester NY. We ended up with twenty three countries on stage and an incredible concert, which was broadcasted in 160 countries via GEO TV. In addition, we could not have imagined the following two plus years to be as exciting as it was with: hosting the first Multicultural Stage in the 17th year of the Taste of Times Square; being contracted to host a Global Stage in seven cities for the Travel & Adventure shows; collaborating and hosting the Pink Carpet for the American Cancer Society's Pink Gala Event; being chosen by WWE to start a chapter on "STAR" ~the anti bullying campaign in Thornwood NY...and so the list goes on!

World Heritage Cultural Center could not have attained so much in the past few years, without any funding, if it was not for the help of all our friends across the US & Internationally.

We would like to take this day to show our appreciation and enjoy all that we have so far achieved, with the *incredible* and *powerful* outlook of "*it is only the beginning!*" Please join us to celebrate World Heritage Cultural Center's Third Year Anniversary and the Grand Opening of its first Center.
